Professional Experience

Freelance Graphic Designer

Freelancer, Portugal Since Sep 2009

- Worked for a diverse range of self-sourced clients, translating briefings into meaningful concepts and unique brand assets, resulting in strong visual identities in line with clients' culture and business objectives.

At Mendes Gonçalves S.A. / Santarém, Portugal

Creative Designer - Innovation Lab.

2017 - 2021

- Co-led a qualitative data-gathering project by designing an online store with food-product co-creation features, allowing for a direct connection with the target audience and a better understanding of consumers' needs.
- Re-designed the product innovation process, introducing user centered methods, ideation workshops and product prototyping, resulting in a fluid, iterative process and enabling market-relevant outputs.

Graphic Designer - Brand Keeper

2012 - 2017

- Collaborated with a multidisciplinary team to revitalize the company's main brand, generating disruptive concepts that lead to a multi-awarded brand and increased top-of-mind awareness.
- Coordinated the brand application to online and offline assets, including website, online store and 200+ packaging items, ensuring visual guidelines adherence and delivering a consistent brand experience.

Graphic Designer - Junior

2009 - 2012

- Implemented visual identities across all print and digital marketing materials by continually collaborating with partners, suppliers, and departments, guaranteeing visual communication cohesion and boosting brand visibility.
